All dogs must have a complete, up-to-date application on file. There is a one-time, non-refundable \$10 application screening fee for each pet. Should your pet not pass the interview, it may mean that the environment is just too overwhelming for them at this time. Some dogs just need a little socialization and training before coming to Camp. If this is the case with your pet, we can recommend a local certified trainer.

IMPORTANT SAFETY INFORMATION

Although we are not located on a busy street, for the safety of everyone, your dog **MUST** be on a leash when entering and exiting the Camp. Your dog will have its own bucket to store its leash and “at-home” collar while they are at Camp. Most dogs do fine all day without eating, but if you wish your dog to have lunch or mid-day treats, drop the food off each day with your dog. It will be kept in your dog’s bucket until feeding time. No food is allowed in the play area, so all dogs are separated and hand-fed. Unless we are having a special event and you are notified in advance, your dog will not be fed anything that you don’t bring.

I understand and agree to all of the terms stated above.
